- P.E
- PSHE

Please click on the icons below for more information about our approach to teaching Maths and English skills.

White Rose Maths

TalkforWriting™

Enrichment

Themed enrichment weeks enhance the curriculum by giving pupils ownership of their learning while exploring themes like interfaith, multiculturalism, kindness and friendship, charity, science and technology, internet safety, road safety, storytelling and many more.

These weeks boost creativity, confidence, and engagement through real world meaningful contexts interwoven into the childrens regular subject areas.
